

DEN NORSKE KRIGSFORSIKRING FOR SKIB
GJENSIDIG FORENING
The Norwegian Shipowners' Mutual
War Risks Insurance Association

Den Norske Krigsforsikring for Skib (DNK) insures Norwegian controlled ships, rigs and other movable offshore units against war risks (e.g war, terrorism, piracy, insurgency, activism). DNK aims to be the preferred war risk insurer for Norwegian shipping companies offering a comprehensive product line, excellent service and competitive premium levels. The Intelligence & Operations Centre (IOC) at DNK builds the global Intelligence picture to support decision making amongst our members in the short to long term. IOC also supports our members with Crisis Management.
